REPORTS

AREA COUNCIL

The Area Office is the servant of the Annual Conference. The purposes of the office as set forth in the Constitution are:

1. To correlate and promote the program of the boards, commissions, committees, and other agencies;
2. To serve the Annual Conference as the Commission on Promotion and Cultivation as required by The Discipline;
3. To correlate and promote in the Annual Conference the Quadrennial and other emphases as ordered by the General Conference;
4. To correlate and promote any special Conference-wide program or emphases ordered by the Annual Conference;
5. To provide staff leadership and services for the conference boards, commissions, committees, and other agencies.

We in the Area Office want to be of service to every agency in the Annual Conference. We ask that you call on us and let us help you when we can.

I am finishing my first year as director of the Louisiana Area Council. We have tried to build upon the foundation laid by my predecessor, Dr. J. Henry Bowdon. This report is for the entire Area Council staff as well as for myself. I want to express appreciation to the staff members, K. G. Rorie, Cecil Bland, J. C. Skinner, and Georgia Daily. The details of their work will be included with the reports of the agencies with which each has worked most closely.

Along with my duties as director, I have worked with several agencies, particularly the Board of Christian Social Concerns and the Commission on World Service and Finance.

One of the responsibilities of the Council is to serve as the Conference Commission on Promotion and Cultivation, and the director is the executive officer of this commission. Reverend J. E. Hearn, Conference Treasurer, has furnished monthly financial statements which we have printed and distributed to the Bishop, District Superintendents, members of the World Service Commission and others.

It is not the responsibility of the Area Office to initiate programs. It is our responsibility to coordinate and promote the Conference program as adopted by the Program Committee upon recommendation of the boards, commissions, committees and agencies of the Conference. The members of the Cabinet compose the Program Committee of the Council. This is the first year under this plan, and I believe it is working out well for the Council and the Conference. At the session of the Annual Conference, the program for the ensuing year is presented for consideration and adoption by the Annual Conference.

During this year, we have launched a monthly publication, SADDLE-BAGS. The mailing list includes the ministers, lay leaders, Official Board Chairmen, and others. The purpose of the paper is to keep the Conference program before us.

Another innovation this year was the Convocation of Boards held in February. The Program Committee is recommending this be continued another year with some changes in the schedule.

The Area Council has worked within the bounds of the adopted budget. We realize we have not done all we could and should have done, but each member of the staff has done his or her best.

In behalf of all the staff members, we wish to thank Bishop Walton, the District Superintendents, Dr. Jack Wilkes, Council President, the Council members, and the ministers and laymen of the Conference for the cooperation and help given us in our work.

Luman E. Douglas, Area Director

(The following resolution was adopted as part of the report.)

RESOLVED:

That each Board, Commission, Committee or Agency of the Louisiana Annual Conference of The Methodist Church be directed to submit in writing, not later than fifteen days prior to the announced date of the spring planning session of the Conference Program Committee, a brief summary of respective programs proposed for the ensuing Conference year or years and chronologically listed applicable dates recommended, to be mailed or delivered to the Director, Louisiana Area Council, for assimilation and presentation to the Conference Program Committee; furthermore, that the Conference Program Committee be directed to consider all program requests and to submit a recommended program for the ensuing Conference year or years to the Louisiana Area Council, said Council to adopt or amend as may be deemed necessary, and to prepare for presentation to the Annual Conference.

BOARD OF EDUCATION

Report No. 1

Centenary College of Louisiana

The college is continuing to show many evidences of growth. The number of full-time students in the fall was 1103, the largest since the postwar period. The number of students living on campus was 580 which is by far the largest in history. Additions are being built for men's housing and a new dining room for the cafeteria. We plan to build additional women's housing during the coming year.

Also, the faculty and library have been strengthened in numbers and quality.

Of primary importance at Centenary is the religious commitment of the college. The religious commitment of the college has never been more important than it is today. During this period of social change and unrest, of international conflict, religious leaders and scholars have launched one of the most urgent reviews of religious truth and practice in man's history. The recent Vatican Council, the revival of lay theological discussion, the movement of the churches toward reunion, the attempts of various groups in church renewal, the new emphasis in the church on various forms of liturgy, the contemporary bitter criticism of certain aspects of church life by many scholars — all of these and other forces have combined to make this an exciting day for the church and church-related institutions. This excitement has reached Centenary along with most campuses. We are not alarmed by these trends. Indeed, we believe we have the leadership to make this a time of religious growth for our students and faculty.

The examination of religious truth always creates mental and emotional tension. Consequently, the church college, because of its basic religious commitment and its trained faculty, is the best possible place for students to deal with matters of religious faith. We have complete confidence in the dedication and competence of our faculty to challenge our students in religious growth.

The establishment of Sunday worship in the Brown Chapel with a large proportion of the campus students attending is one indication of how our students are responding to renewed campus interest in religion. Another has been in the desire of students to hear and question persons who hold various religious viewpoints.

The religious commitment of the college expresses itself in many ways, through religious drama, music, movies, art, through chapel services and Sunday worship, through student religious organizations, through courses in the Department of Religion and Bible, through the Faculty Christian Fellowship, through all the various formal and informal means that students learn basic realities in the interaction of minds on a college campus.

BOARD OF EDUCATION

Louisiana Conference of The Methodist Church

The "New Day" in adult literature was introduced to the Conference this year. Many pastors and laymen were trained to present this to their districts and their local churches. The Louisiana Association of Methodist Educators (LAME) was formed. The Fifth National Conference on Family Life, at Chicago, was well attended by persons from Louisiana. The "New Day" will be continued with the introduction of new youth literature in September, 1968.

With regular news articles sent in to the Louisiana Methodist there is no reason any of the preparations for the new adult literature should be unknown.

J. C. Skinner has directed planning and programming within the Conference and has spoken to many churches and groups as to this. Louisiana was one of the few conferences that sent detailed plans to Nashville, which plans were then made available to other conferences.

Youth work has proceeded vigorously, for in contrast to the other age divisions of the Church School this division has increased in membership. All of the conference camps and workshops were well attended, with increases over the past year. The MYFund has been emphasized and new plans for its collection have been instituted.

The executive secretary visited each district last Fall to become acquainted with the children's worker of that district. Vacation Church School Institutes have been held and a Conference-wide Workshop is planned for February 22-24, 1968, at Bunkie, Louisiana.

There is a planned study of the working relationship between the Board of Education and the Commission on Higher Education. This should be extremely helpful in furnishing guidance to the problem of raising money for Student Work.

Ministers and Directors of Christian Education and Ministers and Directors of Music have been recertified this year, along with training programs being held for ministers and laymen. A recreational workshop for the conference will be held October 20-22, 1967, at Camp Istrouma. An urgent note is here sounded! Your Conference Board of Education is almost wholly dependent on the Christian Education Sunday (Rally Day) Offering. Determine now that your church will raise its Rally Day Offering in full.

It is as simple, and tragic, as the figures prove. Church School attendance and enrollment is decreasing in the Louisiana Conference. The Board of Education, with the Board of Evangelism, has a program to arrest this decline. We pray for its success.

Your executive secretary has been "up and about" as much as time and finances would permit. Attendance at youth camps and conferences, rallies, leadership schools and visits in districts, local churches and preacher's meetings aided him in presenting the cause of Christian Education.

It has been my privilege to learn of this office and to work under the direction of the Board of Education and of the Area Council. Especially do I appreciate the leadership of Bishop Walton and of Dr. Luman Douglas.

The help and guidance of the President of the Board, Dr. Ben Oliphint, is especially singled out for recognition.

J. C. Skinner

1967-1968

SPECIAL EMPHASIS IN CHRISTIAN EDUCATION

"New Life in the Church"

The Board of Education and the Board of Evangelism join hands in a cooperate endeavor to offer an effective means to bring new life to our

churches through a concentrated program of church school enlistment, enrichment, and enrollment.

We recommend that five special areas of emphasis be developed and continued in all the churches of the Louisiana Conference:

I. Church School Enrollment:

In discovering where we are, let us begin with perfecting our church school rolls. During the first three months of our conference year let us examine closely every class enrollment and be sure where we stand as we report our total enrollment. Maintain a constituency roll for each church school class enrolling those who have attended four times.

II. Church School Evangelism:

The objective of the Church School is to help persons to an awareness of, and growth in their understanding of God, especially His redeeming love in Jesus Christ, that they may respond in faith and love. The fulfillment of this objective is possible only when part of that response is to seek ways and means of gathering persons into teaching situations and to provide an environment that is physically as well as spiritually helpful to the students' understanding and growth.

To implement these objectives we recommend:

- A. That a program be developed under the cooperative leadership of the Conference Board of Education and Conference Board of Evangelism.
- B. That each local church be urged to develop its own program of Church School Evangelism under the direction of the Commissions on Education and Evangelism. The administration of the local church program could be placed under the leadership of a special committee composed of a few members of the two commissions. While each local church should develop and adopt the methods and plans they feel will be most fruitful for them, it is suggested that apart from lesson material, preparation and presentation, serious consideration be given to the following possibilities.

Discovery of prospects

Search membership rolls of church and all church organizations; conduct community survey; take roll of worship service; check community lists such as enrollments in school and public utility customers; check new births in community for Nursery home roll. Special effort should be made to locate the shut-ins for Home Membership roll.

Visitation of Prospects

While all Church School members should be taught and encouraged to visit the prospective members and delinquent members, specific committees should be formed to have specific responsibility for visiting in these areas.

Follow up every absence

Contact immediately; preferably by personal visit from members of class and phone calls.

Attack causes of absence

Some typical causes of absences are lack of hospitality; inadequate social activities; no feeling of responsibility; poor teaching; unattractive surroundings; lack of purpose.

- C. That the Annual Conference adopt a goal of 10% net increase in Church School membership and attendance. Progress reports should be made to the Conference Executive Secretary of Education by January 1, 1968 and April 1, 1968.

III. Teaching the Teachers and Other Church School Leaders:

Christian Education has the responsibility to introduce persons into the life and mission of the Community of Christian faith, an introduction that will involve the person in depth. The Bible must play a fundamental role.

The pastor of a local church should prepare himself to teach the teachers of the Church School. The need is not so great for techniques as it is for a deeper experience of the Christian faith. Each pastor has the responsibility of providing the situations through which God can speak to the teachers. The pastor must **"Teach the Teachers"**.

Some suggested ways this can be done:

- A. A quarterly meeting of all Church School teachers and workers under the teaching leadership of the pastor for the purpose of serious study and discussion. This would mean meeting four times during the year with all the workers.

Some possible areas of study under the leadership of the pastors are:

1. The Bible
2. The nature and history of the church
3. The nature of the Christian Life
4. Christian worship
5. Christian theology
6. Stewardship and Service

Some possible aids for study with freedom allowed for each pastor to select that which best fits his situation:

1. Special speakers
 2. Panel discussions
 3. Current theological books
 4. Audio-visual aids
- B. Another suggested way to teach the teachers would be for the pastor to meet once each quarter with the teachers and other leaders of each Division and assist them in the preparation of their lessons for the coming quarter, using the actual lesson plans and literature for the coming quarter.

In cities where it is possible for teachers of several churches to meet together more often, a weekly or monthly meeting can be

arranged with proper leadership and the lesson for the following period could be discussed and adequate preparation made.

IV. The Small Study Groups:

Many churches have discovered the value of small groups meeting on Sunday or at other times to study and discuss the Bible or other Christian books under competent leadership. Such groups usually meet for longer periods of time than a Sunday School class. The groups are also small in size, so that each member of the group can participate in the discussion. The members of the groups are usually persons who are interested in a detailed study and are willing to devote extra time in preparation for the study group.

Our goal is to organize at least one of these adult study groups in each charge during this year. The organization and enrollment of this group should be reported in our progress report to the Executive Secretary.

V. Adult Sunday School Classes:

Large numbers of our adults in Sunday School classes can be involved in Christian study at a deeper level. Many churches have begun enriched programs for adults. We recommend that these programs be continued and enlarged.

While we appreciate much of the work that is being accomplished in adult Sunday School classes, more serious study must be attempted. Many thoughtful people are not attending our Sunday School classes because of the shallowness of the teaching. The Sunday School class should devote itself wholeheartedly to two areas:

1. Serious Study
2. Christian Fellowship

Worship is the rightful function of the service of worship in the sanctuary and every student must be encouraged to share fellowship and study in the Sunday School class, and Christian worship in the sanctuary. All available time should be devoted in the Sunday School class to fellowship and serious study.

We recommend that each local church through the Commission on Education, review carefully its adult classes, with the aim of providing opportunities for more serious study.

BOARD OF EDUCATION

Goals and Recommendations

That each church in the Conference observe Christian Education Sunday with an offering.

A renewed effort to increase enrollment in Church School; to carry on local church leadership training, and to prepare for and hold city-wide, sub-

district, or even district leadership training schools in every district. Renewal of certification, where courses have changed, and new certification for more leaders in local churches.

BOARD OF EVANGELISM

Your Board of Evangelism wishes to express appreciation for the fine leadership given to the conference program of evangelism this last year in each of the Districts by the District Superintendents and District Secretaries of Evangelism. We have been receiving very good reports concerning the results of the program.

During this coming year, we enter the fourth phase of the quadrennial program which we presented to the Annual Conference at the beginning of this quadrennium. You will remember that the first phase was called "A Holy Season of Love". In this phase, we endeavored to strengthen the ties of love and fellowship among the members of each local congregation. Materials for this program have been used each year since that time by some of our churches. They are still available at the Area Office.

The second phase was called "A Mission to Members". In this phase we sought to reactivate inactive members. Some have worked a continuation of this program with the visitation evangelism program for new members this year.

The third phase was called "Our Business Is People". In this we have attempted to stir entire congregations to realize that the mission of every Christian is to work and pray that Christ's will be done on earth as it is in heaven. And that the great commission to go and make disciples of all people was given not only to the early Christians, but to us also.

The fourth phase which we have proposed for this year is that of simultaneous revivals with an exchange of ministers within the conference. We have two purposes in proposing this phase. One is that we believe that it will make it possible for every church to have a preaching mission during the year. We are asking that every minister give his time for one week beginning on a Sunday night and extending through Friday night with the local churches having to pay only for his travel and entertainment. Thus, even the smallest church would be able to afford to have a revival. Secondly, we believe that there is an advantage in all of the churches of a given area having special meetings at the same time. Publicity will be easier and the fact that we are doing something together makes us work with greater enthusiasm.

We propose that these revivals be held simultaneously in two districts at a time. And that the Ruston and Shreveport Districts and the Monroe and Alexandria Districts be paired together for revivals in the fall. And that the Lake Charles and Lafayette Districts and the New Orleans and Baton Rouge Districts be paired together for revivals in the spring. Each minister and local

Commission on Membership and Evangelism will select the minister for their revival from among the ministers of other Districts who are not having their meetings at the time. If there are churches who have arranged for their week of preaching, we would expect them to carry out their plans as they have originally set them. Or if there are churches who would like to bring in ministers from outside of the conference, this would be up to the Minister and local Congregation. We propose that each District set up a Committee working under the leadership of the District Superintendent within the first month after the Annual Conference to coordinate the revival program within the district. Revival dates set by the Conference Program Committee are as follows:

Alexandria and Monroe Districts — October 8-13, 1967

Ruston and Shreveport Districts — November 5-10, 1967

Lafayette and Lake Charles Districts — February 25-March 1, 1968

Baton Rouge and New Orleans Districts — March 24-29, 1968

It is strongly urged that every pastor in the Louisiana Conference give special consideration to the recommended simultaneous revival dates for his district and plan to hold services in at least one church in his care; that each pastor prepare a prospect list and plan a diligent visitation of these persons; that evening services be the basic plan, and that additional services or activities be planned only after consultation with the visiting minister; that each pastor be required to make a report of revival activity in his church to the district superintendent, naming the evangelist, the dates of his services, the number of services conducted and the attendance at each, offerings received, and members received by profession of faith, transfer or reinstatement; and that no honorarium be paid to or gifts accepted by a visiting minister, except that expenses of seven cents per mile traveled and necessary entertainment shall be provided by the host church.

The Spiritual Life Retreat for ministers will be held this year on September 19 and 20 with Dr. Jordan Grooms of the Polk Street Methodist Church in Amarillo, Texas as speaker.

There will be an Evangelism Seminar at Camp Istrouma on January 16 and 17. The purpose of this seminar is to give help to any minister who would like to strengthen the program of Evangelism in his local Church.

We wish to call your attention to the display of materials from the General Board of Evangelism in the Student Union Building. We urge each local church to make the books from Tidings available to their congregations.

Respectfully submitted,
Merlin W. Merrill

BOARD OF CHRISTIAN SOCIAL CONCERNS

The Board held meetings in Alexandria, Louisiana, on November 1, 1966, and February 23-24, 1967.

The Basic Question of the cooperative social action program for the Board for the third year of the quadrennium is: "How should the church relate to government?" The Selected Issues for Projects and Actions were Public Policy on Education and Mental Health. The Joint Study proposed was "Evangelical Faith and Pluralistic Society (Church - State Study)".

Division of Peace and World Order

The Division of Peace and World Order makes the following recommendations:

1. That each local church observe World Order Sunday, October 22.
2. That the afternoon of World Order Sunday be observed as a Day for Prayer for Peace; churches are urged to remain open, with literature concerning World understanding available, that members may express their concern for world order through meditation and prayer.
3. That in each local church or district studies be undertaken concerning some aspect of world order. The following topics are suggested:
 - a. China: It's Past and Present.
 - b. Vietnam: What is the Christian Attitude?
 - c. Causes of world unrest; strategies for world peace.
 - d. India's Place Among the World Nation.

Division of Human Relations and Economic Affairs

The Division recommends the following for 1967-68:

- (1) That a Family Life Conference be held; that all the boards of the conference who are interested be involved; that the Area Council appoint an inter-board committee to implement this conference.

The Division suggests that the conference be held the last weekend in April, 1968, and that the program format and attendance plans follow that of the National Family Life Conference of 1966.

- (2) Since concern of human rights is basic to the development of a better and more peaceful order among nations, the Division calls attention to the fact that 1968 is the 20th anniversary of the Covenants on the Universal Declaration of Human Rights; that 1968 has been designated by the U.N. as "International Human Rights Year."

Since the United States is one of only 12 nations that has not ratified the covenants, we recommend the Congress of the United States take steps to do so.

- (3) The Division recommends that the Journal of the Annual Conference include the names and addresses of the pastors of the Louisiana Conference, Central Jurisdiction.

- (4) The Division includes in this report information concerning some effective work in the area of race relations that has been done by Methodists in Louisiana, with the hope that these plans will give guidance to other groups.

- a. A Methodist Church made the educational building available for a pre-school Head Start program. The students and teachers were on an integrated basis.
- b. An Annual Inter-Jurisdictional Youth Rally was sponsored by lay leaders and others with speakers from the Central Jurisdiction and the South Central Jurisdiction.
- c. Some district superintendents of both jurisdictions meet together and have worked co-operatively in planning and conducting meetings.
- d. One laboratory and training school had over 20 participants from the Central Jurisdiction.
- e. One district has had several meetings of laymen and ministers from both jurisdictions.
- f. A Poverty Seminar held by a Central Jurisdiction church had a small group attend from the South Central Jurisdiction.

Division of Alcohol and General Welfare

The Division makes the following recommendations:

1. That church and school groups schedule representatives of the Louisiana Moral and Civic Foundation for speaking appearances and workshops whenever possible.
2. District directors and local church commissions on Christian Social Concerns give consideration and study to the areas of Crime and Gambling in 1968, with special attention toward the influence and involvement of youth in these areas.
3. Ministers' groups and the leadership of the church should engage in informative discussions concerning the current emphasis in our culture on the New Morality, so as to be in a position to give enlightened counsel and direction to our people in the ethical dilemmas of our age.

Respectfully submitted,
J. Woodrow Hearn, Chairman
Kenneth Rigby, Vice Chairman
Phil Woodland, Secretary

COMMISSION ON CHRISTIAN VOCATIONS

The Conference Commission on Christian Vocations has enjoyed one of its most successful years. The Commission has had splendid response from the youth and adults of our Conference. The ministry of the church has been presented in a new and exciting manner through Conference and District Convocations.

The Conference Commission, in conjunction with many of the Boards and Agencies of the Conference, conducted a Vocations Convocation at Camp Istrouma on January 14 and 15 where there was overwhelming response. The Commission was delighted to work with the Boards and Agencies of the Conference in this endeavor, for it is felt that the area of recruitment for church related occupations is not confined to one group but to every group within the structure of the church.

The Monroe, Ruston, and Shreveport Districts held a Tri-District Convocation on Christian Vocations on April 21 and 22 at Caney Lake.

The files for the Commission on Christian Vocations have been worked diligently and faithfully by Miss LuDell Jeffers. Through her work every person who has shown an interest in a church related occupation has been contacted regarding their interest.

The Commission is concerned with the whole range of Christian vocations from recruiting young men and women to fill places of service in the church to conserving those lives that are now engaged in church related occupations. It is apparent that the Louisiana Annual Conference must be equally diligent in maintaining a strong sense of vocational security in its ministers, as it is in recruiting new people. A cursory examination of the Conference Journal for the year 1956-1966 will show that while the number of Methodist in Louisiana has increased more than 11,000, there has been a net gain of only 7 ministers. Since 1964 there has been a net loss of 17 ministers in the Conference.

We feel that these facts warrant our attention and examination. We need to answer more adequately the question "Why do men leave the Conference for reasons other than retirement?" Toward the conservation of our present vocational commitments we propose that a detailed study be made by a special committee to be known as the "Study Committee on the Ministry for the Louisiana Annual Conference".

The Committee will be composed of the following:

- (1) Chairman of the Board of Ministerial Training and Qualifications
- (2) Member of the Cabinet, to be chosen by the Cabinet
- (3) Conference Lay Leader
- (4) Chairman of the Conference Commission on Christian Vocations

- (5) Persons to be appointed by the Bishop upon recommendation by the Commission of Christian Vocations.

To the committee we suggest these areas of concern.

- (1) Why men leave the ministry after having been in service for several years?
- (2) Why men leave the Louisiana Annual Conference for other conferences?
- (3) What can be done regarding the minister's disappointments, disillusionment, and dissatisfaction, and how can the minister be given more adequate pastoral care?
- (4) What can be done to encourage the committee to continue their pursuit of a church-related occupation?

These areas of concern do not represent the full problem; therefore, we submit these ideas for development and expansion by the committee.

Upon completion of the study, the Committee will report to the Cabinet, The Board of Ministerial Training, and Qualifications, and the Commission on Christian Vocations.

Oscar E. Cloyd
Chairman

DEACONESS BOARD

A recent brochure entitled "The Methodist Deaconess" began: "The OFFICE OF DEACONESS in the Methodist Church provides the opportunity for lay women to participate creatively as an enabler and as an agent of change in the mission to which God calls the Church in contemporary society".

In response to the duties and privileges of this office there are deaconesses now serving in the Louisiana Conference in the areas of administration, teaching, social work, nursing and Christian education. These persons are in situations "where the action is". This year the members of the Board have served in personal counseling, international affair discussion, as resource persons in vocational institutes, as camp counselors, and numerous other places where persons are challenged to witness to the Christian gospel in action and work. We are fortunate to have Mrs. Charles Giessen serving as a member of the South Central Jurisdiction Deaconess Board.

At the Annual Board meeting, Miss Betsy Ewing, Executive Secretary of the Commission on Deaconess Work, of the National Division of the General

Board of Missions shared with the Conference Board some ideas and decisions confronting the General Conference committee on the Lay Order for Methodist Workers. She also challenged us anew with the task of a Conference board.

Two major changes in the by-laws governing the Louisiana Conference Deaconess Board were made at the meeting:

First, in recognition of the fact that the Home Missionaries working in Louisiana have no tie to the Louisiana Conference, the board included them as full members.

Secondly: All deaconesses of the Central Jurisdiction and the head of the employing agency in which they serve, in the geographical bounds of the South Central Jurisdiction Louisiana Conference, are full members of the Deaconess Board. These changes were made in consultation with the deaconesses of the Central Jurisdiction and the home missionaries.

The major concern of the Conference Board for the coming year is to interpret the challenge of the deaconesses relationship to the Church. The Board is especially anxious to work closely with the Conference Commission on Christian Vocations in the work they are doing.

We are happy to announce that at the April meeting of the Joint Committee on Missionary Personnel, Miss Judith Mayo, a member of First Methodist Church, Lake Charles, became an accepted candidate for the deaconess relationship pending the completion of her educational requirements. Miss Mayo will enter Scarritt College this fall as a candidate for a Master's Degree in Christian Education.

Respectfully submitted,
Norma Garlington
Chairman of Louisiana Conference
Deaconess Board

DISTRICT CONFERENCE RECORDS

We, your Committee on District Conference Records, wish to report that the records of the several District Conferences were before us and carefully examined. They are all neatly and accurately kept.

We wish to commend the District Superintendents and the District Conference Secretaries for their faithful stewardship.

HOSPITALS AND HOMES

Report of the Board

In the concept of The Church as a "servant community" the Conference Board of Hospitals and Homes stands in a strategic position. The Ministry of Health and Welfare is one of the many avenues of service in which the Church is ever seeking ways to serve the present age.

The paradox of the Church is that it must be both ancient and contemporary. Rooted in the truth of God that is timeless, it must make relevant that truth to Contemporary Man. We must at once hold to the timeless while making it timely. We must not only proclaim the Gospel, we must demonstrate it. It is increasingly needful that the Church spend more time on deeds and less on debate. In the New English Bible John is represented as saying "Love must not be a matter of words or talk, it must be genuine and show itself in action". (I John 3:18)

It is not enough for us to minister through our Institutions of Health and Welfare, as fine as that is. We need to get the local church involved in its own community.

It is hoped that every local Hospitals and Homes Steward will become an informed and active member of the Official Board in leading its church into vital participation in a wider Ministry of Service.

Our Board will sponsor a retreat at Camp Brewer for members of the Pineville Colony for the mentally ill, under the guidance of Rev. Earl Emmerich and Rev. Roland Friedrich.

We will sponsor a Workshop for Part-time Chaplains, to be held at Central Louisiana Hospital, October 17th. We cannot urge too strongly the participation of every Part-time Chaplain in this most important endeavor. We suggest that the appointment as Part-time Chaplain carry with it the necessity of this training.

We hope for closer planning with the Conference Board of Christian Social Concerns in areas of common interest.

We have named Rev. Kenneth McDowell as chairman of a committee to continue studies on the need for a home for the aging.

We have set up a prison Chaplaincy, believing that here is a long neglected field of Christian Witness and Service.

There were 5 from our Conference who attended the first Convocation on Theology and Medicine held in Rochester, Minnesota, and jointly sponsored by the General Boards of Hospitals and Homes and Christian Social Concerns. The reports from those attending attest to its exciting timeliness.

Each church is urged to send its Hospital Steward to the Workshop at Mt. Sequoyah, July 21 - 23. Unless local Stewards become not only aware of their tasks but motivated to perform them the greatest function of the work of Health and Welfare will die in the burning.

Our Board is related closely to our Conference Institutions of Health and Welfare. We do not supervise them, but give help and support to their ministry. The reports of these individual Institutions are included as a part of that of the Board of Hospitals and Homes.

We have had the reports of the Administrators of the Conference Institutions before our Board and have reviewed this work for this year. Their individual reports follow.

George W. Pomeroy, Chairman
Conference Board of Hospitals
and Homes

I. GLENWOOD HOSPITAL

During the past fiscal year Glenwood Hospital admitted a total of 6,673 patients, of which 532 were newborns. Glenwood Hospital rendered 30,584 days of patient care to the community.

We performed 2,338 surgical procedures. The average daily census for the year was 86.

4,301 patients were seen in our emergency room, and 5,347 outpatients used our x-ray and laboratory facilities.

We spent \$1,500,000.00 for salaries, services and supplies during the year.

Glenwood Hospital employs 290 employees.

The Dietary Department served 180,000 meals.

Glenwood Hospital has been accredited by the Joint Commission on Accreditation of Hospitals since its first survey in 1963.

The \$1,500,000.00 construction program, adding two additional floors, has been underway since the first of January. This addition will bring our capacity up to 178 beds.

We at Glenwood would like to take this opportunity to thank you for your help over the years. We feel rather unique bringing our report to the annual conference because we are not asking for any monetary support, and I am not up for reappointment that I know of.

E. D. Singleton, Administrator

II. THE METHODIST HOME HOSPITAL

The message of the Methodist Home Hospital has been and continues to be, "There is a God who cares and who has servants who care — Louisiana and Mississippi Methodists care!"

Last year care and service were provided for 609 persons — 115 unmarried mothers, 86 babies, and 136 adoptive couples.

Income for the year came from the following sources and in the following amounts:

Louisiana Conference	\$62,549.14
Mississippi Conference	16,243.08
North Mississippi Conference	13,921.27
Cooperative Fee (from the girls)	24,779.69
Social Work Reimbursements (from adoptive parents)	27,304.50
Individual and Memorial Gifts	8,964.29
Special Gifts (designated)	1,790.90
Dividends and Interest	4,933.71
Refunds	1,790.90
	<u>\$161,838.86</u>

One of the great needs of the Home is the need for more adoptive parents, so that we may render service to more girls who need us so very much — we have to turn girls away because of the lack of adoptive parents. The Board of the Home Hospital made the adoptive requirements more flexible in order to enlist more prospective adoptive couples.

Jack H. Midyett, Superintendent

METHODIST HOME HOSPITAL

We respectfully request affirmative action by Annual Conference and Presiding Bishop on the following:

1. Reappointment of the Reverend Jack H. Midyett as Superintendent of Methodist Home Hospital for the coming year.
2. That the Sunday preceding Christmas Day be named Methodist Home Hospital Sunday, and that an offering be taken for the Home Hospital.
3. That each church set as its goal an amount equal to that of 4% of their Pastor's salary as their proper giving to the Methodist Home Hospital.
4. That the following be elected to the Board of Directors for three years: J. Henry Bowdon, Sr., Haynes L. Harkey, Dr. C. P. Lipscomb, and Luman E. Douglas.

III. REPORT OF THE BOARD OF DIRECTORS OF THE LOUISIANA METHODIST CHILDREN'S HOME

Your Board of the Methodist Children's Home is happy to report to you a good year of work by a dedicated staff directed by Reverend Harry Ezell and staff. The home is operating to capacity. We reported to you last year that a new cottage was in the making. This has been made possible without calling on the conference for capital outlay.

For the maintenance of the home and care of the children, we are dependent on the churches of the conference.

October 15, 1967, will be a highlight for the home. This occasion will be Methodist Hospital and Homes Steward's Day. At this time Bishop Walton will dedicate the new cottage.

The Board of Directors respectfully requests affirmative action by the Annual Conference and Presiding Bishop on the following items:

1. Reappointment of Reverend Harry E. Ezell as Superintendent.
2. Election to the Board of Directors for a three year term the following: W. A. J. Lewis, Reverend Fred Flurry, J. C. Ritchie, L. D. McGehee, Mrs. L. B. Kilpatrick.

3. Continued observance by the churches of our conference of the free will offering days for the Home, which days are Easter Sunday in the Spring and Harvest Day in the Fall, this year would be October 15, 1967.
4. Ratify a Board action on May 2, 1967, a motion by Mr. Billy Lewis, seconded by Dr. Keith Mason that a certain parcel of land belonging to the Methodist Orphanage be sold for \$6,000.00 to the Ruston District Board of Missions for a new Methodist church parsonage. This was passed unanimously by the Board.
5. Reference Conference rules appearing in the Journal of the Louisiana Conference. The paragraph labeled quadrennial Orphanage Board reads as follows:

A Conference Orphanage Board composed of one lay member for each District and an equal number of clerical members shall be elected by the first session following the general Conference, to serve ensuing quadrennium.

This rule has never functioned and was not known to exist until this year. We respectfully request that this paragraph be deleted from Conference rules.

Respectfully submitted,

REPORT OF THE SUPERINTENDENT METHODIST CHILDREN'S HOME

To take a child whose home life has been shattered; to help that child both restore and increase his faith in God, in man, in himself; to help that child develop such a sense of self-worth that he may become a stable, Christian, adult; this is our task.

To fulfill that task we need workers, fine, dedicated, Christian workers who will see in every child, under all circumstances, a child of God. To fulfill that task we must train people in the special understandings and skills required under these difficult circumstances. To fulfill that task we must provide the program of care demanded by such special circumstances. To fulfill that task we must secure adequate financial support enabling us to pay adequate salaries, provide reasonable working conditions, meet a highly competitive market for skilled workers, and underwrite the costs of necessary program.

During the year March 1, 1966 to March 1, 1967:

1. We averaged approximately 110 boys and girls in care. We actually cared for many more since a number left, a number of new ones came in.

2. Operating expenditures were \$189,917.
3. Operating income was:
 - a. From the churches: \$148,541.
 - b. All other sources: \$20,221.
 - c. Total operating income: \$168,762.
4. Total operating deficit: \$21,155.

We need full support of operating budgets. We must face, realistically, the financial pressures which force ever increasing expenditures due to rising costs of living. We need special help from those individuals who would give to help build, or help furnish, the necessary new cottages.

Sincerely yours,
Harry E. Ezell
Superintendent

RETIRED MINISTERS HOMES BOARD REPORT

We regret to report this past year we did not make our goal. We hoped to raise \$12,500.00 which is the sum necessary to build a house on lots we own. At the moment we do not have enough money to complete a house, we do have the lots. We hope this shortage will be made up in 1967-68.

Your Committee thinks we should be ready at all times to build at least two houses each year. Your Ministers are not getting younger. The usual time required to build a home is 60 to 90 days. To know that a home or an apartment is available in case of an emergency would be very comforting.

Check the financial report, which will be published in our Louisiana Methodist very soon, and see what your church is reported as having raised this past year, then strive to increase it. If your church gave nothing, then determine that you will have your church in the giving list this coming conference year.

The APARTMENT IDEA is meeting a great need for our widows and a temporary landing place for couples, and it is evident that we will need additional apartments within a few years. With this fact before our recent Board meeting and also the fact that the cash balance brought forward from last years general building fund, amounting to \$5,971.79, was originally given for the building of the MEMORIAL BUILDING, it was decided to continue this MEMORIAL FUND by authorizing the Treasurer to transfer this balance

into a RESERVE MEMORIAL FUND and from year to year, add to this all receipts coming in which are EAR MARKED as MEMORIALS. This will, to a large extent, help us to be ready to meet the need when more apartments are needed.

At present we have one apartment, large enough for a couple or can be used as a single, vacant, and we have the lovely, fully furnished apartment open for temporary use by any minister and his wife or a single.

It was decided, at our recent Board meeting, that all applications for apartments or homes should be made through the Superintendent of Property, Reverend James B. Grambling, 3728 Judson Street, Shreveport, Louisiana who will file same in order and communicate with the applicant but will not divulge the information to anyone until his retirement is announced. By having these advanced requests for home in hand it will assist the Board in determining when and where the next home is needed.

The only change made in those occupying homes are: Rev. and Mrs. E. Lee McKay have moved into the home at 3726 Judson, previously occupied by Mrs. B. D. Watson who has moved to Oklahoma. Reverend and Mrs. Paul Durbin, who found it necessary to be released from his work in Logansport is now living in the four room duplex in Ruston.

A full report in the MAINTENANCE of all homes has been filed with the Board, which includes a number of small repairs and some painting. Two or three of the homes will undergo paint jobs this summer.

We are fortunate indeed in having Reverend John Gieck and Reverend Lee McKay living in our homes for they are wonderful helpers in keeping the Ruston property in excellent condition. It looks like a well kept park and flower garden. We are also indebted to the maintenance department of the Children's Home for keeping the section of the property which we do not use in such good condition.

Up to the writing of this report we have received a total of \$10,726.24. Of this total receipts \$640.00 was EAR MARKED as MEMORIALS and has been transferred to the MEMORIAL account, leaving a balance in the General Building Fund of \$10,086.24.

The month of November is RETIRED MINISTERS HOMES MONTH and we do hope that every pastor will give his loyal support to this project of our CONFERENCE. We also earnestly urge to Commission on World Service and Finance to give consideration to our needs for LOCAL BOARD OPERATING EXPENSE and grant us some financial help with these items.

Respectfully submitted,
J. R. Russell, Chairman

LAY ACTIVITIES AND 1000 CLUB

By Tom H. Matheny, Conference Lay Leader

I will only emphasize certain matters which are contained in more detail in the Pre-Conference Report.

The Conference Board of Lay Activities will continue to emphasize its five year program for stewardship cultivation in the Louisiana Annual Conference which was outlined in detail in the Pre-Conference Reports of 1965. A major area of emphasis in the coming year will be a re-organization of Methodist Men's groups. This is being done under the leadership of the General Board of Lay Activities all over Methodism, and a workshop for leadership in the field of Methodist Men will be held on July 8 and 9, in Alexandria and Baton Rouge, respectively.

Our Committee on Promotional Activities primarily has the responsibility of planning our annual Laymen's Retreat at Centenary College, which will be held on July 29-30, this year. Our speaker for our Laymen's Retreat this year will be Mr. Ernie Logan, who is an outstanding layman and will be a rich source of inspiration to those who are there. In addition, we are having a Lay School of Theology, staffed by ten outstanding faculty members. This year we are again making a special emphasis on inviting the ministers as well as the young men from the senior high schools and Wesley Foundations. Every church is urged to send its minister and its young people to these programs at the Laymen's Retreat in order to increase the dialogue and communication between these groups.

The Conference Board of Lay Activities has this year endorsed a recommendation that some centralized program of financing for Wesley Foundations be established. It is the feeling of the Conference Board of Lay Activities that there has not been enough financial support for the Methodist Student Movement in this conference. For that matter, we do not believe there has been enough support of other types for the Methodist Student Movement. We wish to do everything possible to encourage this work which is so outstanding in the majority of our Wesley Foundations.

Two matters of controversy at this Annual Conference have been the resolutions concerning the merger with the EUB's and the resolution concerning the abolition of the Central Jurisdiction. The Conference Board of Lay Activities has already been very active in fulfilling its responsibility of teaching and learning in these fields. We have long had a Committee on Ecumenical Affairs and have invited members of the Evangelical United Brethren to attend our meetings and participate in the activities of the Conference Board of Lay Activities. In addition, we have sent delegates to the National Conference on Ecumenical Affairs in Cincinnati, Ohio, March 9-10 of this year, where training was given for new leadership in this field for the laity of the conference.

In addition, members of the Conference Board of Lay Activities are engaging in dialogue with the laity of the Central Jurisdiction in order that there might be more communication and unity between these groups. At our last

meeting of the Conference Board of Lay Activities, a motion was made and unanimously passed that we invite the Conference Lay Leader of the Central Jurisdiction in Louisiana, together with representatives of his board, to our next meeting of the Conference Board of Lay Activities. In addition to this, by virtue of my position as a member of the General Board of Lay Activities, I am a member of the Conference Board of Lay Activities of the Central Jurisdiction in Louisiana, and have high hopes to be able to use this position to increase communication and dialogue between the laymen of both jurisdictions.

The years ahead are going to be difficult ones for the laymen of Methodism. There will be many adjustments that will have to be made. There will be many sacrifices that will have to be made. However, the laity of the Louisiana Annual Conference wish to give assurance that they stand ready to make the adjustments and sacrifices that are necessary. We know our task as a part of the holy priesthood. We intend to do our task. We will support the church — for we are the church.

I now place before the Conference the nominations for District Lay Leaders and Associate District Lay Leaders made by the District Superintendents and the Conference Lay Leader, and the nomination for Conference Lay Leader.

Respectfully submitted,
Conference Board of Lay Activities
Tom H. Matheny, Conference Lay Leader

PUBLIC RELATIONS AND METHODIST INFORMATION

Report of Commission

The function of the Commission of Public Relations and Methodist Information is to gather news of public interest concerning Methodist activities and opinion and disseminate it through the secular press, the religious press, radio, television, and other legitimate media of public information. This report reflects the efforts of this commission to carry out its function during the conference year.

The commission held a workshop for commission members and district directors in Alexandria, Louisiana, on Saturday, October 22, 1966. The resource persons were Rev. Gene Carroll, Director of Methodist Information and TRAFCO in the Atlanta Area and Editor of The Georgia Methodist, Dr. Alfred Knox, Editor of the Louisiana Methodist, and Miss Georgia M. Daily, the Louisiana Area Director of Methodist Information.

One result of this challenging workshop was the realization of the need for closer co-operation between and a closer coordination of the activities of the various boards, commissions, and agencies charged with responsibilities in the area of news dissemination within the conference. A preliminary and fruitful discussion was held at the Convocation of Boards in Alexandria on February 24, 1967, with representatives of the Commission on Public Relations and Methodist Information, the Louisiana Methodist, the Christian Service Times of the Woman's Society of Christian Service, and Centenary College. Further discussions and programs will be pursued.

The Commission held its meeting at the above Convocation of Boards.

Since the Commission is a service, and not a program, commission, the majority of the work of the commission was conducted through its able and efficient director, Miss Georgia Daily. During the past conference year, the director covered news events of conference activities across the entire state, as well as playing a major role in connection with such events as Founders Day at Business Girls Inn, in Shreveport, and Sager-Brown School in Baldwin.

In addition, the director performed her usual duties, consisting of weekly news stories and features for the Louisiana Methodist, news releases for boards and agencies, the elaboration of stories from other Methodist Information offices and general boards, such as the Board of Missions, and the promotion of activities involving other area office staff members.

The director and the commission expresses its appreciation for the co-operation of the news media of the State of Louisiana in the work of this commission during the conference year.

The Commission makes the following recommendations concerning its future program:

1. The commission recommends that requests from conference agencies for news coverage of their activities by the Director of Methodist Information be channeled through the staff member of the area council assigned to the particular agency or board involved, in accordance with the guidelines adopted by the commission.

2. The commission recommends a Methodist Information workshop in each district of the conference each conference year and solicits the co-operation of the District Superintendents, the District Directors of Methodist Information, and the Program Committee in scheduling these workshops.
3. The commission recommends the continuation of efforts to co-ordinate the activities of the various news media of the Methodist Church in the Louisiana Conference, with a view of closer co-operation between the various boards, commissions, and agencies charged with responsibilities in this area and a closer coordination of their activities, hopefully to the end that all of their programs will be more fruitful.

Kenneth Rigby, Commission Chairman
Miss Georgia M. Daily, Director of
Methodist Information

BOARD OF MISSIONS

Report I-A

"The supreme aim of missions is to make the Lord Jesus Christ known to all peoples in all lands as their divine Savior, to persuade them to become his disciples, and to gather these disciples into Christian churches; to enlist them in the building of the kingdom of God; to co-operate with these churches; to promote world Christian fellowship; and to bring to bear on all human life the spirit and principles of Christ." (The Discipline, Par. 1176).

To the end here stated your Conference Board of Missions is dedicated, and the development of its program is thus directed. The report which follows, summarizes the activity in which your Board is involved, along with future plans and recommendations and represents the work of many individuals, with particular reference to its committee chairmen and the district missionary secretaries.

"In this world that has been literally 'turned inside out' in one generation the task of missions is large enough and commanding enough to challenge all the genius and all the resources of all the people in all the churches." (1966 Report of the Board of Missions of The Methodist Church).

New Church Support

The Board of Missions urges continued support of the Conference 1000 Club. We must recognize that this is mission work. Our Conference has made exceptional advances in new church organization.

The "Department of New Church Development" of the National Division of The General Board of Missions has aided in survey and organizational work for two Louisiana churches in this quadrennium, one in the Baton Rouge area during 1965-66, and this past year in the New Orleans District. The

Louisiana Conference Board of Missions shared in the organizational support of these special projects.

Research and Survey — The Rev. A. M. Brown, chairman.

The Conference Committee on Research and Survey, a sub-committee of the Conference Board of Missions and directed by Chairman Alfred M. Brown, has this year completed its detailed study of our conference. This included a study of population shifts, membership trends, local church characteristics, Worship patterns, Official Board structures, local finances, the work of local church commissions, the Woman's Society of Christian Service and the Methodist Men. Detailed reports have been printed and are available to church leaders. It is hoped that boards and agencies of the conference will use these studies in re-evaluating their work and making records for change.

Aside from major consideration of Urban Life, the need for new congregations, and Church Extension projects, the report points to the need for a continued and effective ministry to rural areas, especially in the northern part of our state where we are losing population and yet where the Methodist Church remains strong.

Our Urban centers present the Methodist Church with one of its greatest opportunities and some of the most difficult problems. One phase of the study was a detailed report of Church Extension needs in our larger cities.

A rethinking of program and activity is necessary to meet the needs of a change in people and times. It seems that many churches are relying on Sunday services and church school as the only program activity. Approximately one-half of our churches have no Senior and Junior High Methodist Youth Fellowship. More than one-half of our churches have no program for older youth and younger adults — not even a Sunday School class. Over a third of our churches have no program for adults. When one considers the many persons not participating in the few programs that do exist, the situation is critical.

The church has always found ways of communicating the gospel. The task facing the contemporary church may be difficult, but where there is a concern and dedication, a way to minister will be found.

Committee on Mission Studies — Mrs. G. W. Dameron, chairman.

At the beginning of the 1966-67 conference year, the Board of Missions established a Conference Committee on Mission Studies, according to recommendations received from the Joint Section of Education and Cultivation of the General Board of Missions. The purpose of this committee is to plan for, and promote, through a unified approach, a program of missionary education in the local church. District Committees on Mission Studies, organized along the pattern of the Conference Committee, have carried the major responsibility for developing the plans recommended by the Conference Committee.

During this first year, six of the eight districts held twenty Mission Study Conference on a district or sub-district level, in which local church repre-

sentatives were given help relative to the mission study theme, **Affluence and Poverty — Dilemma for Christians**. Reports show that 815 persons attended these conferences, and unofficial reports indicate that the study theme has been widely used by local churches in "Church-wide Studies."

It is hoped that during the forthcoming conference year, with men and women working together, a broader base for "Education for Mission" can be established; that local churches will move toward a year-round program of missionary education, including a church-wide mission study, but offering additional opportunities, through a variety of plans and groups, for missionary emphasis.

Urban Work — Dr. B. A. Galloway, chairman.

I said: "Let me walk in the field,"

He said: "No, walk in the town,"

I said: "There are no flowers there."

He said: "No flowers, but a crown."

I said: "But the skies are black,

There is nothing but noise and din."

And He wept as He sent me back:

"There is more," He said, "There is sin."

Anonymous

These lines capture something of the urgency and mood of the task and responsibility which is peculiar to the Conference Committee on Urban Work and to every urban church. Those who name the name of Christ and take seriously His mission to the world, dare not turn away from the city. With seventy-one (71%) percent of the population of Louisiana now living in urban centers, our becomes an even greater task. We are not primarily a liturgical church, but we are a preaching and a ministering church and must relate ourselves to the total problem of human need and find better methods of communicating with the people within the city. The Methodist Church in Louisiana must place the city at the top of its missionary priority list.

The Inner-City Parish in New Orleans directed by The Rev. Rupert Coles, now in its fifth year, strives toward two objectives: first, to strengthen the program of the four inner-city churches, and second, to minister to the needs of persons living within the inner-city neighborhoods. To reach the first goal, a cooperative ministry has been established involving the four inner-city churches. Joint Methodist Youth Fellowship, School of Mission, Quarterly Conference, and other areas of outreach are now being held. An Inter-Racial Dialogue Group has been created to improve understanding between the races. The needs of persons living in the inner-city neighborhoods are met through tutorial services, domestic skill classes, coffee house ministry, Spanish speaking work, Parish Prison rehabilitation involvement, teen-canteen, Befriend a Youth Program, Fixit Shop, and personal counseling. The support of suburban churches with both material resources and person involvement is needed for the growth and vitality of the inner-city program.

We commend the many churches in Louisiana that held a School of Missions this past year, using the study theme, **Affluence and Poverty: Dilemma for Christians**. If this study was not held in your church, we suggest that it is not too late to get the material and conduct the study.

As an outgrowth of the National Urban Convocation held in Chicago in 1966 and with the experience gained from the Inner-City Parish in New Orleans, a Louisiana Area Urban Workshop is being planned for the fall of 1967. The exact date has been announced by Dr. Galloway of this session of the Louisiana Annual Conference, as Oct. 7, 1967. We hope to have delegates from all eight districts and all major urban centers in Louisiana in attendance so that we can, as a whole conference, become awakened to the challenge of an urban society. We hope to hold this Workshop in Alexandria.

Methodism in the urban centers of Louisiana is on the move and our Louisiana Annual Conference is challenged to move with it. We must learn the language of the city, the tempo of the city; we must learn the people of the city. Tomorrow is yet to be formed, and it belongs to the city. The city is People. Either the Church will give itself to the city and its people, or it will lose the city, it will lose tomorrow, and it will lose its own soul. This is our challenge and our task.

Report II-A

In this third year of the quadrennium, our continued and full support of the World Service program of Methodism indicates something of what the Spirit has been saying to our people and churches. They have responded in a magnificent way.

There are three basic functions of the Conference Board of Missions. One, it is a dispensing agency, accepting and using mission funds at points of greatest need and in keeping with our finest sense of Stewardship. Two, it is a recruiting agency, not only for professionally qualified persons, but for those with special skills. The world needs both a Christian witness and Christian labor. Three, your Board is an educational agency, involved at home in keeping our pastors and people informed of the world's needs and missions imperatives as well as promoting and supporting literacy programs in undeveloped lands. But more than this, your Board of Missions and its support is a measure of the conscience of the Conference. It seeks to channel your love and concern to the children of God in all the world.

Every local church is urged to study and evaluate their missions program and participation. Increased involvement is desired and can be encouraged as we engage in church-wide mission studies, make use of Fourth Sunday World Service leaflets and preach on missions themes. Missionary minded leadership will produce a missionary minded church.

BOARD OF MISSIONS

Report II-B

Advance Specials continue to be a major avenue for our specialized support of projects in which we have a particular interest, as well as furnishing primary financial support of these projects and the missionaries related to them.

We recommend to the Annual Conference the approval of the following named projects as Conference Advance Specials, **subject to a written request by the agency for certification** with the approval of the District Superintendent of the district where the agency is located:

- *Louisiana Conference 100 Club
- *Inner City Parish, New Orleans
- *Shreveport District Special Ministries
- *Migrant Ministry, Hammond
- *Dulac Indian Mission
- *Business Girls' Inn, Shreveport
- Sager-Brown School, Baldwin
- Peoples Community Center, New Orleans

Of special interest to every church in Louisiana should be those persons who have gone out from this area to serve our church in strategic missionary locations. Their support is necessary. Many of our churches are establishing, year after year, an enviable record of necessary support Specials. However, not all our missionaries are fully supported. Some need Work Funds and others need support both for salary and Work Funds.

We urge all churches to meet their World Service obligations in full, for here is the basic mission program and work we support. But we also urge all churches to give serious consideration to the "Second Mile" concept of giving and enter as fully as possible into the program of The Advance.

C. RECOMMENDATIONS

1. We recommend that the annuity rate for 1967-68 be set at \$65 per service year for retired members. We further recommend that the General Board of Pensions continue as paying agent for the Louisiana Annual Conference claimants and that payments be made monthly in advance.
2. (a) We recommend that there be apportioned to charges for conference claimants an amount of \$410,000 to be pro-rated according to the decimal; \$210,000 of this amount to be used for payment of Conference claimants.
(b) \$200,000 to be invested toward down payment on Ministers Reserve Pension Fund as voted by the 1965 Conference.
(c) We recommend that instead of paying all of our available funds in down payment on The Ministers Reserve Pension Fund that we pay only the required 10% down as outlined on page 31 of The Pre-Conference Report.

We are gratified by the churches' response to the payment of The Ministers Reserve Pension Fund this past year.

3. We recommend that members of The Conference who are delinquent on their 1% assessment be allowed to pay without interest until May 15, 1968. After which time a 5% simple interest on the unpaid balance will be charged per year.
4. We recommend there be continued the work of The Board of Pensions Committee on proportional payment of ministerial support in accord with provisions of Paragraph 1624 and 1634 of the 1964 Discipline, and urge upon all members that full disciplinary action will be taken.
5. We recommend that there be apportioned to each agency and institution served by a ministerial member under special appointment with annuity claim on the conference, the sum equal to 9% of the average salary of the conference; and that said apportionment be paid to the Treasurer of The Louisiana Conference no later than May 15.
6. We further recommend that the special appointments for the 1967 Conference Journal be granted annuity for 1966-67 on the following basis:
 - a. With annuity claim upon The Conference subject to the 1964 Discipline (Paragraph 1623, Section 7a):

Area Council Director, Luman Douglas
Assoc. Area Council Director, K. G. Rorie
Executive Secretary, Board of Education, J. C. Skinner
Ministerial member at Centenary College, Robert E. Taylor
South Central Jurisdictional Secretary, Virgil D. Morris
Superintendent Methodist Children's Home, Harry E. Ezell
Superintendent Methodist Home Hospital, Jack H. Midyett
Conference Treasurer, J. E. Hearn
Promotional Director Methodist Hospital, John Koelemay
Executive Secretary, Fort Worth Area Council of Churches,
J. Woodrow Hearn

 - b. With annuity claim on the Institution in which they serve:

Centenary College, Jack S. Wilkes, Webb D. Pomeroy, Alton O. Hancock.
Prof. at Candler, T. R. Weber; SMU, Douglas E. Jackson; Iliff, C. H. Snelling, Jr.; SMU, Ben A. Petty; LaGrange,

James A. McLean; Union, John M. Norris; University of Oklahoma, Torbert H. Milby, Jr.; William Carey College, Wayne Perrott.

National Division of Missions: Karl B. Tooke.

Interne Ecumenical Institute, Chicago, John F. Baringer;

Interne Ecumenical Institute, Chicago, George Holcombe.

c. Without annuity claim, as Chaplains in military service:

U. S. Air Force: Oakley E. Edwards, Maurice D. Fulkerson, Lucien E. Larche, Jr.

U. S. Army: Howard D. Ellzey, Forest N. Blount, Paul G. Durbin

U. S. Navy: Roland W. Faulk, James E. Reaves, William G. Willson.

7. Recognizing the need for an adequate pension program for Lay Employees of the Local Church and Church Organizations we recommend that all churches and church organizations adopt the "Lay Employee Reserve Pension Fund", a program of The General Board of Pensions, for all full-time lay employees.

8. (a) That in determining years of service, The Board shall carefully examine and consider those years of service listed in the Conference Journals prior to accepting them as valid years; and that any years in question shall be subject to validation by the applicant and by approval of The Board and The Annual Conference.

(b) We recommend that a deadline on applications for annuity credit for prior Supply Years, for which the conference member considers himself eligible, shall be Conference of 1968.

(c) The notices for any claim for years of service shall be presented to The Board in writing.

9. In compliance with the recommendation of The General Board of Pensions and in order to make it possible for our Board to be recipients of wills, bequests, and legacies, we request The Annual Conference to approve a resolution for incorporation. (See Resolution), 1610.1.

HOSPITALIZATION AND MEDICAL EXPENSE AND DEATH BENEFIT PROGRAMS:

1. In-as-much as "Medicare" is considered a Group Insurance Plan by the Insurance Industry, the General Board of Pensions has re-written the Hospital and Medical Expense Program so that it provides a major medical, utilizing "Medicare" as the basic plan for all persons over age 65 whether active or retired and all persons under age 65 will be included in the "Under age 65 Comprehensive" with benefits as outlined in The General Board of Pensions Brochure HMEP . . . Since this gives considerable additional benefits to our over age 65 at less cost to them, we recommend that all persons over age 65 enroll in Medicare.

2. We recommend that the HMEP & DBP: Hospitalization and Medical Expense Program and Death Benefit Program rates, as outlined in The Pre-Conference Report, page 33 be adopted for the year 1967-68. Please note that the HMEP premium remains the same. The slight increase in the DBP rate reflects the increase in the average salary of the conference. This will also entail a larger Death Benefit payment. The average salary for the year 1966-67 is \$6,791.00, therefore, the DBP premium will be \$67.91 annually.
3. We recommend that the church pay one-half and the minister pay one-half of the premium.
4. We recommend that the conference Board of Pensions pay all conference claimants' premiums in full.
5. We remind the members of The Annual Conference that Hospitalization and Medical Expense Program (HMEP) and Death Benefit Program (DBP) premiums are due in advance on the 1st of each month. Should a minister or layman desire termination of his insurance benefits, he is responsible for notifying The Board of Pensions of such intent; and, must pay premium to date of notification. Also you are reminded that each minister and each layman is responsible for the entire premium.
6. We remind members of The Annual Conference that all local church Lay Employees and Lay Employees of church institutions are eligible for HMEP & DBP.

We recommend that a claimant under age sixty-five (65) on medical retirement, who recovers sufficiently to resume ministerial work or to engage in a remunerative occupation, shall receive a reduced pension in the amount of: the total pension less the salary he receives for the work he is doing. (See paragraph 1630, Sec. 2, 1964 Discipline).

COMMITTEE ON COURTESIES

We would like to express for all who have shared in this Conference the gratitude felt toward each person contributing to its success.

To Bishop Aubrey G. Walton our sincere thanks for his wonderful leadership, his patience and courage, and for the hours of tedious labor as he endeavored to correlate the work and efforts of our great church.

To his lovely wife we give our heartfelt thanks for her genuine friendship and concern. We are always glad when she is in our midst.

For the many courtesies and all accommodations extended to us by President Jack Wilkes and his staff, here at Centenary College, and by Dr. D. L. Dykes and his staff and people at First Methodist we express our deepest thanks.

To Dr. Kermit Long we say thanks for the memory of stimulating messages and gems of superb humor.

We would also express real empathy with the words expressed by Dr. D. L. Dykes in our Memorial Service, and with the words of worship

and devotion by our able worship and devotional leaders, both lay and clerical, each morning.

We give our sincere thanks to the tellers, both lay and clerical, for their faithful service and prompt reports; to the resourceful leaders of all committees for their work in expediting the responsibilities within our Conference; and, to the ushers and pages for their smiling, courteous services.

For television, radio and newspaper coverage which carried activities of the Conference to the people, we express appreciation.

For the impressive beauty of all renditions by the various choirs, for their faithfulness and that of the organists, we express gratitude.

To the delegates and visitors whose faithful attendance, with a minimum of coffee breaks, meant much to the success of the Conference, we say "Thank you."

We congratulate our esteemed friends Mrs. Glenn Laskey and the Reverend A. W. Townsend who received Honorary degrees from Centenary College

In closing we express to all members of Louisiana Methodism, in true sincerity of spirit, a strong wish that we continue in alertness and loyalty to keep alive the Spirit of our Lord in all of the affairs of men.

Respectfully submitted,
Sam Nader

TOWN AND COUNTRY

Report of Commission

1. This Commission is concerned about several hardship cases of ministers' families. They are not getting minimum salary. This may be corrected by change of charge boundaries or liberalizing the rules of Minimum Salary Commission.
2. The Commission "memorialized" General Conference to allow Approved Supply Pastors with eight years of consecutive, acceptable service to vote in Annual Conference Sessions.
3. We are working on delegation of 40 "decision makers" from this conference to the National Consultation on the Church in Community Life, an ecumenical, non-metropolitan meeting, at Columbus, Ohio, September 5-8, 1967. Most have been secured. Upon returning, this delegation will have District, sub-District and local church meetings to share the Consultation with our conference.
4. A pilot project to train "men young in the ministry" in church administration and practical theology is scheduled for the Baton Rouge District this summer or early fall.
5. We urge the observance of Rural Life Sunday and Soil Conservation Week this coming spring.

6. Those churches having building programs are asked to share their plans with other churches by sending a copy to the Area Office for the building files.

TELEVISION, RADIO AND FILM COMMISSION

With the aid of General TRAFCO, two workshops were conducted this conference year. The chairmen are Hugh Baker, radio; Barry Bailey, television, and William E. Nolan, audio-visuals. They are charged with the responsibility of leading districts and local churches in the use of materials produced by General TRAFCO. Dr. Gene Carter of New York, and Nelson Price of Nashville directed the first workshop. At a second workshop, Nelson Price and William Richards taught ministers from the Baton Rouge and Lafayette Districts the techniques of the radio program "Word and Music".

As a result of the workshop, the following ministers have scheduled the "Word and Music" program:

Rev. M. C. Cady, Assoc. Minister, First Methodist Church, Baton Rouge, WQXY-FM, 8:00 A.M., Sunday; October 30, 1966.

Rev. William Blakely, Amite; WABL-AM; 12 Noon, Tuesdays; March 15, 1967.

Rev. Cleburne Quaid, Bogalusa; WIKC-AM; 10:00 A.M., Sundays; April 15, 1967.

Rev. Robert Peyton, Bastrop; KTRY-KVOB; May 1, 1967.

Rev. Gilbert Wade, Ferriday; FFNV; May 1, 1967.

Rev. Duke Barron, New Iberia; KANE-AM; June 15, 1967.

Certificates of recognition will be presented to these ministers during Annual Conference.

William E. Nolan, chairman of audio-visuals, works with the Area Office in sending the ministers a list of films which are available from the Area Office. All new audio-visual aids are listed in "Saddlebags" which is mailed monthly by the Area Office to all ministers.

The month of October, 1967, will be designated as "Television Evaluation Month" in our Annual Conference. Under the leadership of Barry Bailey, Chairman of Television, and through the ministers in our conference, a small booklet will be placed in families of our conference. The booklet will contain basic suggestions about viewing television programs, and inside each booklet will be four postal cards to be used by the family to let the local television station know their reactions to the programs.

The Conference TRAFCO attended the luncheon meeting in New Orleans of General TRAFCO on March 16. Bishop Walton, president of General Television, Radio and Film Commission in American Methodism, presided. Bishop Walton and Dr. J. C. Love, a member of General TRAFCO and of the South Central Jurisdictional TRAFCO, continue to give leadership to TRAFCO,

not only in our conference but throughout the Church. They have attended the different meetings which required their presence throughout the year.

REPORT OF THE
WOMAN'S SOCIETY OF CHRISTIAN SERVICE
AND
WESLEYAN SERVICE GUILD
TO THE LOUISIANA ANNUAL CONFERENCE

MAY 29 - JUNE 2, 1967

It is a privilege for me to make this report to the Louisiana Annual Conference and I appreciate the opportunity to do so.

In January of this year, it was my very great privilege to attend the Annual Meeting of the Woman's Division in Cincinnati, Ohio, and that of the Board of Missions in Louisville, Kentucky. It was wonderful to have this opportunity during my first year as Conference President, for it enlarged my vision and increased my knowledge.

Miss Mildred Evans, Conference Guild Secretary, and I are indebted to the many who have given us help and guidance during this year. Particularly do we wish to acknowledge the help of Miss Arline Tyler, immediate past Conference Guild Secretary, and Mrs. G. W. Dameron, immediate past President of the Conference Woman's Society. Miss Evans and I have worked closely together through the year and this report is also her report.

This has been a year of Challenge and Response for the women of the Louisiana Conference Woman's Society and Guild. Involved in this challenge and response have been changes which were necessary that our program of Mission Study might be more cooperative with that of the Church. This has been carried on from the Regional School of Christian Mission through Conference Schools, the Committee functioning under the Conference Board of Mission, the District Mission Study Conferences and into the local societies which have had Churchwide Mission Studies. We expect to do even better this next year in working cooperatively.

We have ventured forth in the field of Ecumenism in many ways; through participation in the program of Church Women United and through an invitation extended to the members of the Women's Society of the two churches of the Evangelical United Brethren located here in Louisiana to meet with us in our Annual Meeting held in Lake Charles, in March. The Conference Woman's Society invited the members of the Executive Committee Louisiana Conference Woman's Society Central Jurisdiction to attend the Annual Meeting also.

One of the most rewarding of all the undertakings of the Conference Executive Committee was that of a second phase of Self Study. The district vice presidents and the district secretaries of Spiritual Life Cultivation were brought in to meet with the Executive Committee as they would be involved in carrying this into the districts. The purpose of this Self Study was to consider the effects of the first phase of Self Study on us as individuals — deepened faith, acceptance of ourselves as an individual — attitudes and habits, and to discover the relationship between our actions and our faith as an individual, as members of the Woman's Society and Guild, and as members of the Church. It is hoped that each local society will engage in this most rewarding experience.

A special challenge was that of being chosen to have one of twelve (12) Hub-City Workshops in the United States on World Understanding — Focus Africa. This was held at the University Methodist Church, Baton Rouge. Representatives of 12 Conferences of the South Central and Central Jurisdictions, in addition to many local people, participated in this workshop, a follow up of World Understanding Workshops held in Africa, sponsored by the Section on Christian Social Relations of the Woman's Division. From these Hub-City Workshops it is hoped that there will be thousands of "Spin Offs" over the United States.

We have cooperated in sending college and youth representatives to the Missionary Conference at Mt. Sequoyah. We will again sponsor an out of state Mission Tour for Youth on June 5th. This year 37 young people of the 78 who applied have been selected to go on the Tour. The young people have developed a real sense of Christian fellowship as they have participated in the tours and have had a revealing and inspiring experience as they have seen the Church at work in so many ways.

Mrs. Nell Coulter Peach was commissioned a Deaconess and one U. S. 2, Miss Brenda Moorman, has gone from our Conference this past year.

Training in many areas has been provided during this year. In May the officers and secretaries and chairmen of the Woman's Society and the Wesleyan Service Guild of the South Central Jurisdiction participated in a Leadership Performance Task Group under the direction of Dr. Howard Hamm, General Secretary of the Division of the Local Church of the Methodist Board of Education. This was held at Mt. Sequoyah.

Membership continues to be of vital concern to the Woman's Society and the Wesleyan Service Guild. We are somewhat more encouraged than we were this time last year for the membership seems to be stabilizing across the country and in Louisiana. There have been six new societies organized and one reactivated, giving us 323 societies. Two new Guilds have been organized making a total of 100 Units. This gives us a total membership of approximately 14,808 members which is not an increase over last year's membership.

The Conference did not meet the pledge it had made. An amount of \$139,565.26 was paid on the pledge to Missions. Our total giving of \$173,161.48 included pledges to Missions, Supply Work, A Call to Prayer and Self Denial and other special offerings. This was \$1,656.39 more than the total amount given last year. This does not include an amount of

\$1,784.24 given to the Louisiana Moral and Civic Foundation nor funds used in local church and community endeavors. MYFunds are no longer sent through the Woman's Division but are sent directly to the National Division.

Yes, the challenges have been many, but so have the opportunities to grow been increased as our horizons of study, interest and service have been extended. The Woman's Society and Wesleyan Service Guild will have more challenges in the year to come, but realizing that without change, there is no growth, we shall face them with courage and the belief that the Woman's Society and the Wesleyan Service Guild have an important role to play in carrying on the work of the Methodist Church.

Mrs. Charles B. McGowan, President
Louisiana Conference Woman's
Society of Christian Service

COMMISSION ON WORSHIP

The full report of the conference Commission on Worship will be found on pages 47 of the 1967 Pre-Conference Reports, which report includes the following recommendations:

- (1) That every local church make available the necessary funds to send its pastor, chairman of the Commission on Worship, choir director, organist-pianist, and other interested persons to the CONVOCATION ON WORSHIP to be held October 27-28, 1967, at First Methodist Church, Baton Rouge.
- (2) That every local church organize a Commission on Worship, and that every pastor provide leadership for this Commission so that the worship in our churches may become truly the vital "work of the people" and a valid expression of the faith of the congregation, and not just the handiwork of the clergy.
- (3) That very careful study be given by building committees and congregations planning new church buildings to the worship needs of our people, so that new buildings may be both fitting expressions of our faith and efficient instruments for our worship and mission as the people of God.
- (4) That every local church secure and faithfully use the new editions of *The Methodist Hymnal* and *The Book of Worship*.

Respectfully submitted,
James E. Christie, Chairman

REPORT OF THE COMMITTEE ON URBAN WORK

The Inner-City Parish in New Orleans, now in its fifth year, strives toward two objectives: First, to strengthen the program of the four inner-city churches; and, second, to minister to the needs of persons living within the inner-city neighborhoods. To reach the first goal a cooperative ministry has

been established involving the four inner-city churches. Joint Methodist Youth Fellowship, School of Missions, Quarterly Conference, and other areas of outreach are now being held. An Inter-Racial Dialogue Group has been created to improve understanding between races. The needs of persons living in the inner-city neighborhoods are met through tutorial services, domestic skill classes, coffee house ministry, Spanish speaking work, Parish Prison rehabilitation involvement, teen canteen, Befriend a Youth Program, Fixit Shop, and personal counseling. The support of suburban churches with both material resources and person involvement is needed for the growth and vitality of the inner-city program.

As an outgrowth of the National Urban Convocation held in Chicago in 1966 and with the experience gained from the Inner-City Parish in New Orleans, a Louisiana Area Urban Workshop will be held on October 7, 1967 in Baton Rouge, Louisiana. Delegates to this confrence will be appointed by the several district superintendents and will be notified very soon. Travel expense of these delegates will be paid.

Respectfully submitted,
Benedict A. Galloway, Chairman

(NOT APPROVED BY THE CONFERENCE)

RESOLUTION ON THE CENTRAL JURISDICTION

"1. By the adoption of this Resolution each Annual Conference, each Jurisdictional Conference, the General Conference, each College of Bishops and the Council of Bishops pledge their best efforts to eliminate as soon as possible all forms of racial structure from the organization of The Methodist Church, and further pledge to do everything possible to develop greater understanding and brotherhood in all aspects of church life and work.

"2. Each Annual Conference and Jurisdictional Conference which has been part of a merger of churches or Conferences formerly separated by racial distinctions pledges its best efforts to work out all remaining adjustments, to use the ability of both clergy and laymen wherever they can be most effective in the work of the Church, and to serve all people without regard to race.

"Where such mergers have not yet been realized, each such Conference expresses its earnest determination to work toward such merger at the earliest possible date and hereby pledges to establish a Committee on Inter-Conference Relations composed of an equal number of ministers, laymen and youth to implement the recommendations and resolutions of this report and recommendation of the Plan of Action for the elimination of the Central Jurisdiction adopted by the 1964 General Conference and that each board and agency of the Church be alert for opportunities to assist each Committee in every possible way.

"3. Whenever such mergers hereafter take place the continuing Annual Conference will:

- a. Accept into its membership, with all the same rights, privileges, status and obligations all ministerial members (whether on trial or in full connection) appointed to charges located geographically within the continuing Conference, and all ministerial members under special appointment or retired ministerial members who hold Quarterly Conference membership in a local church located geographically within the boundaries of the continuing Conference.
- b. Insofar as possible, the ministerial and lay persons now serving on boards and agencies of both of the merging Conferences shall serve during the current quadrennium on like or similar boards and agencies shall be open to all persons on the basis of their qualifica-

tions without regard to race. In the event any Disciplinary provision limiting the number of members of a board or agency should prevent the continuation of all members during the current quadrennium, the Cabinet shall determine which members shall continue, in the spirit of this Resolution, being careful to provide for a continuing representation of both of the former Conferences.

- c. Within the boundaries of such a continuing Conference opportunities for spiritual and intellectual growth in Christian service shall be made available to all without regard to race or color. Such equal opportunities shall be provided particularly in such aspects of Conference programs as activities of the Woman's Society of Christian Service, Wesleyan Service Guild, youth work, leadership training enterprises and the Board of Lay Activities.

- "8. By the adoption of this Resolution by the Southeastern and South Central Jurisdictional Conferences and by the Colleges of Bishops of Southeastern and South Central it is determined that beginning in 1968 the episcopal residences and Areas will be so arranged that no Area will be composed solely of Annual Conferences formerly part of the Central Jurisdiction.
- "9. By the adoption of this Resolution the Council of Bishops evidences its readiness to transfer bishops across Jurisdictional lines in order to effectuate the purpose of this Resolution, and the bishops individually affirm their readiness to serve wherever they can be of greatest use.

By the adoption of this Resolution each Annual Conference, each Jurisdictional Conference, the General Conference, each College of Bishops and the Council of Bishops express their determination to do everything possible to bring about the elimination of any structural organization in The Methodist Church based on race at the earliest possible date and not later than the close of the Jurisdictional Conferences of 1972. They further express their earnest determination to do everything possible to develop greater understanding and brotherhood in Methodism as well as in the world."

WORLD SERVICE AND FINANCE

Report No. 1 of Commission

World Service and Conference Benevolences is the "life blood" without which the Boards, Commissions, Committees, and many agencies of the Church cannot operate. This is true on the Annual Conference level as well as on the General church level. Giving to this program is increasingly important and challenging.

Your Commission believes that it is becoming more and more apparent that there is a continuing need for regarding World Service and Conference Benevolences as the personal responsibility of each member of the local church. Every church member needs to know more about the benevolent causes which these funds support. When church people know where their money goes, they have greater interest and they respond more generously. We urge each Pastor and lay leader to utilize every method and procedure available, and to use their own ingenuity to present the thrilling story of World Service to the whole congregation. Let's keep the Church's "life blood" flowing.

The Louisiana Conference has had another good year. The response of the local church to the challenge of increased giving has been inspiring. Let us join in thanks to Almighty God for making it possible for the people called Methodist, Louisiana Methodist that is, to "dream dreams", to "see visions", and to take responsive and responsible action to the continuing challenges of the day.

Now, let us give our attention to several general matters.

We remind the Conference and its agencies that no financial appeal, whether by Conference or institutional interests, shall be made without the approval of this Commission, unless otherwise excepted. (See Par. 810, 811 of the 1964 Discipline).

We also remind all ministers and churches that remittances for World Service and Conference Benevolences as well as Ministerial Claims items shall be made monthly, if practical, but at least quarterly to the Conference Treasurer. (See Par. 804, 823 of 1964 Discipline).

The fiscal year for the Louisiana Annual Conference shall be from June 1 to May 31. All Conference reports and payments should be made to the Conference Treasurer by May 15 of the Conference year. The Commission authorizes the Treasurer to close his books on May 15, accepting only such reports as are postmarked by midnight of that date.

WORLD SERVICE AND FINANCE

Report No. 2

Recommendations

In accordance with the action of the General Conference, we suggest that an amount equal to \$1.00 per member be paid by each local church

for the support of Centenary College, and that an amount of \$1.00 per member be paid for the support of the Wesley Foundation.

We recommend that the Board of Directors of the Methodist Home Hospital be granted the privilege of presenting the Maintenance Budget of the Home to each local church with a suggested amount of 4 per cent of the Pastor's salary to be raised by that church. Christmas Sunday, December 24, 1967 shall be designated as Methodist Home Hospital Sunday and the offering for maintenance is to be received on that day unless otherwise planned by the local church.

We also recommend that the Louisiana Moral and Civic Foundation be given both moral and financial support as well as every opportunity to present its cause to the local church and community. A suggested goal of 25¢ per member is urged.

We urge that the month of November be observed as Retired Ministers' Homes month and that Sunday, November 5, 1967 be designated as Retired Ministers' Homes Sunday. An offering should be received for the support of this work at this time (or any other time selected by the local church).

We commend for the consideration of the local church the wholehearted support of Lydia E. Patterson Institute. If maintenance support is being offered, please mark it clearly "Maintenance". If support is being given to the Building Fund, please mark it "Building". We urge completion of all giving to the Emergency Capital Funds Campaign this year.

We request that all churches give their full support to the Methodist Children's Home in Ruston. Proper observance should be made of both the Fall and Spring emphasis in support of this agency. Dates for special offering Sundays are October 15, 1967 and April 14, 1968.

We urge continued support of the building and operating program of Methodist Hospital in New Orleans. The Conference is reminded that this is Louisiana Methodism's newest service agency and deserves our best support. Further, we recommend that Sunday, January 14, 1968 be designated as Methodist Hospital Sunday, at which time this cause is to be lifted up as a concern of the Conference with an offering being received for its initial operating costs.

The Commission highly recommends a continued emphasis by all churches on Advance Specials, both General and Conference, requesting however, that all churches pay in full their World Service and Conference Benevolence apportionment before appropriating funds for Second Mile projects. We should know that World Service and Conference Benevolences is the real foundation for all other programs in the Church.

The Conference is reminded of its obligation to support the Jurisdictional Ministerial Education Fund in the amount of 1% of the local church's operating budget. This important concern deserves our concerned support.

We recommend to the Conference the continued support of Western Methodist Assembly at Mount Sequoyah with a goal of \$10 per pastoral charge. Each District is to raise the amount on the basis of the total number of charges in the District.

We recommend that the amount for support of Louisiana Council of Churches be apportioned to the districts and that each District Superintendent direct its apportionment to each local church.

It is recommended that the First National Bank of Ruston, Louisiana be designated as the Official Depository for all funds of the Louisiana Annual Conference.

The Commission recommends the continuation of the system of apportionments on the decimal plan (for details, see the Conference Rules in the Journal). The decimal shall be applied to the following Conference items: (1) District Superintendent's Fund; (2) Episcopal Fund; (3) Board of Pensions; (4) Minimum Salary Fund; (5) General Conference Administration Fund; (6) Jurisdictional Conference Administration Fund; (7) Annual Conference Administration Fund; (8) Interdenominational Cooperation Fund; (9) Temporary General Aid Fund; (10) World Service and Conference Benevolences; (11) Radio and Television Fund.

With regard to the Pastor's Expense Account and Utilities Expense, the Commission recommends to the Conference that (1) permission be granted to the **pastoral charge** to pay an amount not to exceed \$1500.00 as Expense, provided that the salary set by the Fourth Quarterly Conference be maintained, and that in no event a charge be allowed to reduce its salary in order to raise the expense account; and (2) permission be granted to the pastoral charge to pay an amount not to exceed \$600.00 as Utilities Expense, provided that the salary not be reduced below the 1966-67 level.

In order to comply with Federal Income Tax regulations, we recommend that Utilities on the Bishop's residence, District Parsonages, and Parsonages used by the Area Director and Ministerial Associate, the Executive Secretary of the Board of Education, the Promotional Director of Methodist Hospital, and the Conference Treasurer be considered a part of their salary as a "Housing Allowance".

Report No. 3

Conference Administration

The Conference Administration Fund continues to "limp" slightly because of "beatings" it has received in other years. However, more and more it is proving its "reason for existence". The Area Council office which receives about 70% of these funds is increasingly showing its practical service to the Conference. As this truth becomes more widespread to individual local church members, the collection of these funds will more nearly approach 100%. We urge each Pastor and layman to become more knowledgeable concerning the importance of this Fund and to lead their church toward total support.

The Commission is holding the line on the total amount to be apportioned for 1967-68. The amount recommended for approval is \$122,000.00. It includes the following items:

Conference Journal	\$ 4,600.00

Appropriations — Any legislation requiring appropriation of conference funds shall be presented to the Commission on World Service and Finance for study and approval before being presented to the Annual Conference.

Data for Memoirs — The district superintendent in whose district a member, wife or widow of a preacher dies, shall appoint someone to secure, in advance of conference, data concerning the deceased. Each member of the conference is required to furnish the Editor of the Annual a sufficient history of himself.

Fiscal Year — June 1st to May 31st is the Fiscal Year for the conference.

Membership District Conference — The District Conference shall be composed of all parties mentioned in paragraph 687, Discipline 1960, and, in addition thereto, to the following: one lay member from each church in the charge, provided, however, that each charge shall not have less than five (5) elected delegates.

Local Preachers — All applicants for a Local Preacher's license shall be required to pass the course of study for candidates for license to preach as prescribed by the Discipline under the supervision of the Department of Ministerial Education. The Conference Board of Ministerial Training and Qualifications shall be responsible for the tuition fee of such a course.

Exception to this rule will be the report of the Conference Treasurer and Statistician and the reports of the various Boards and Commissions that cannot be completed until the session of the Annual Conference.

Any supplementary report prepared later, containing any resolutions or recommendations, shall be printed or mimeographed and handed to the delegates when the report is made to the Annual Conference.

Statistical Reports — Statistical Table I shall be mailed to the Statistical Secretary, and Table II with all remittances for the conference year shall be mailed to the Conference Treasurer not less than fifteen (15) days before the first day of Conference. The Statistical Secretary and the Treasurer shall notify the District Superintendents of the charges in their District which have not reported, and the District Superintendents will be expected to furnish the delinquent reports in ten days.

THE REV. G. M. HORNE

May 25, 1967, The Reverend George M. Horne, a retired Methodist Minister, living in Baton Rouge, Louisiana, joined the Church Triumphant.

Brother Horne was born in Grapeland, Texas, May 10, 1895. He spent his childhood and youth there. He served in World War I as a Chief Petty Officer in Communications. After service he returned home and married Miss Mary Hite, September 8, 1919.

He received a law degree from American Extension University and was admitted to the Oklahoma bar in 1925.

In 1926-27 he attended Southern Methodist University, and then some years later received a Bachelor of Theology degree from Union Theological College in Chicago.

He was admitted into the Texas Conference on trial in 1941, admitted into full connection in the Texas Conference in 1945. In 1948 Reverend Horne transferred to the Louisiana Annual Conference where he spent most of his ministry. Some of the Charges he held were Tickfaw-Loranger Circuit, where under his Pastorate the beautiful Cooper's Chapel Church was built. From there he was assigned the Walker Charge in 1951, and moved to Deerford in 1955. It was while serving Deerford Church that Brother Horne retired in June, 1960.

The Reverend Horne was highly esteemed by the people he served and with whom he worked. He was well known both in Church and Fraternal Circles. At the time of his death he was State Chaplain to World War One Veterans.

He is survived by his wife, Mrs. Mary Horne, one son, Chaplain Robert A. Horne, stationed in Germany, and one, daughter, Mrs. Elsie Wayne Tisdale, Baton Rouge.

Memorial services were held in Istrouma Methodist Church with The Reverend Jerome Cain and Marvin Corley officiating.

MRS. C. M. HUGHES

Mrs. Elliedee Beazley Hughes, widow of the Reverend Charles Mose Hughes, was born in Shreveport on December 22, 1889.

She began studying music at an early age, and as a piano student showed such remarkable talent that when she had outgrown local teachers, she was accepted as a pupil by one of the leading piano teachers in New York. She later studied organ, also in New York.

When she returned to Shreveport, she taught privately and served as organist at First Methodist Church. Later she served at Noel Memorial Methodist as both organist and choir director.

She was married to Charles Mose Hughes, who was then headmaster of the Centenary Academy, and superintendent of the Sunday School at Noel Memorial Church.

In the years following, she shared in her husband's varied ministry in Arkansas, Kentucky, Tennessee and Louisiana. Prior to his retirement in 1946, they served for eight years at Waterproof. During these years of service, she often served as pianist or organist and choir director, taking part in the women's activities in the local churches. In many of these communities she also served as an unpaid director of community choruses or other music groups.

Following Bro. Hughes' retirement, they made their home in Leesville, where, following his death in 1951, she continued to live among the many friends she had made. She was an active member of First Methodist Church, Leesville, and continued to teach piano and organ until failing health necessitated her entering a nursing home in Winnsboro in 1959, where she died on May 23, 1967.

She was buried in Leesville, with the Reverend James E. Christie officiating at her funeral.

REV. ADRIAN M. SEREX

If I were asked to summarize the life and work of Adrian M. Serex, the words I would use are found in Paul's admonition to Timothy, his "son in the ministry". They are — "Study to show thyself approved unto God, a workman that needeth not be ashamed, rightly dividing the word of truth" (II Timothy 2:15); and "I have fought a good fight, I have finished my course, I have kept the faith." (II Timothy 4:7).

Adrian Serex was one of the ablest and most articulate ministers ever to serve Methodism and the Christian Ministry. Born in Claberg, Belgium, March 28, 1903, son of a minister, he attended John Calvin College in Geneva, Switzerland, and received his Bachelor of Arts Degree from the Athenaeum of St. Giles in Brussels, Belgium at the age of 18. During World War I he served as a medical aid on a train in Switzerland which carried wounded soldiers to their respective countries. After the war he began to consider the various schools in which he might continue his theological training, for he had heard the call to preach the Word of God, and felt the need to train himself as highly as possible. Finally, at the age of 18 years, he immigrated to the United States, and began working on his B. D. Degree at Emory University in Atlanta, Georgia, and in 1923 was admitted on trial into the Louisiana Annual Conference. He received this degree in 1924, then moved on to New Orleans where he became associate minister of old First Church. While there, he earned his Master of Arts Degree from Tulane University in 1925, and in 1926 he was admitted into full connection in the Louisiana Annual Conference. It was also while Associate Pastor at First Church, New Orleans, that he met and married Mary Muir Bays. They were

united in the holy bonds of matrimony on October 19, 1926. To this union were born the following children: Henry Muir, Mary Bays, William Dobbs, and Donald Martin. Mary Muir Serex preceded her husband in death, having been transferred to the Church Triumphant June 2, 1961. In 1928 he returned to Belgium as a student at the University of Brussels, where in 1929 he earned the degree of Doctor of Philosophy. In 1926 he was appointed pastor of Second Church in New Orleans, and later served as pastor at New Iberia and Minden. From 1936 to 1942 he was Superintendent of the Shreveport District. From 1942 to 1952 he served First Church in Monroe — which is the longest pastorate that church has ever had. In 1952 he went to Rayne Memorial Church in New Orleans and stayed there until 1962 when, because of ill health, he was granted sabbatical leave. In 1963 he accepted appointment as pastor of the new Methodist Church in Belle Chasse, where he served until his death. At the same time and for the same period, Dr. Serex served as Chaplain for Touro Infirmary, the Baptist Hospital, and the Eye, Ear, Nose, and Throat Hospital in New Orleans. In November of 1963 he married the former Emeline Gober Crawford of Prattville and Bay Minette, Alabama.

Those who knew Adrian M. Serex loved and appreciated him. The possessor of a keen mind and an articulate tongue, he was in constant demand as preacher, teacher, and lecturer. While at Emory University he was student instructor in French and Greek New Testament. While on the Shreveport District he lectured in philosophy at Centenary College, and taught a course in Philosophy of Religion at Perkins School of Theology in Dallas, Texas. The churches that he served were the fortunate recipients of his vast knowledge and facile mind.

While those of us who knew Adrian Serex remember him as a person of deep intellect and as a great preacher, there were other important facets of his life that cannot be passed over. He was a great humanitarian who loved and worked well with people. During World War II, while he was pastor of First Church in Monroe, he had a devotional program which went over a local radio station each night at 10:15. Deigning to tape the program he went to the station each night to do the program, and it became a legend in its time. His deep compassion and knowledge of what war can do to the minds of men were blended into the most popular radio program in the area — even at that late hour. People in the City of Monroe and surrounding areas still talk about the good that emanated from these programs. While in Monroe, Dr. Serex also helped found a chapter of Alcoholics Anonymous, and each year, until his death, he was that group's honored guest at their annual banquet. He was one who loved people, and who could, because of previous personal experience, have "empathy" for them.

Adrian Serex heeded well the admonition to "study to show thyself approved unto God — a workman with no need for shame". He attended six colleges and Universities on two continents. His hungry mind was forever searching for the truth; and all during his ministry he continued his quest for knowledge. His great desire was "to know" and "to be", and to help others along this path. He will be remembered by many of the younger men of the Conference for his work of many years as Chairman of the Board of Ministerial Training and Qualification. In this capacity he was able to guide many young

men who sought admission into the Conference, and in this way his life touched many lives.

Adrian loved his church and served her well throughout his entire ministry. Bishop Aubrey G. Walton, in his eulogy of Dr. Serex said this: "His going brings to a close a long and rewarding ministry. I have not had an opportunity to check on the lists, but his service record of forty-three years as an active minister in the Louisiana Annual Conference may mean that he possessed the longest record of active years of any man now serving in the Conference."

On June 10, 1962, he served his last Sunday at Rayne Memorial Church in New Orleans — although he was unable to attend the service. This brought to a close the longest active ministry of any man at that church, and his farewell message to his congregation was printed on the back of his bulletin. It gives more insight to his unselfish and dedicated life than any words of my own ever could. He wrote: "My leaving the pulpit of Rayne Memorial is altogether my loss, not yours. . . (your new minister) is one of the most gifted and capable ministers in the Conference. . . . He has an adorable wife, whom, I am sure, you will love. I commend your new minister to your love and care. Help him in ever possible way. The ministry at Rayne Memorial is not an easy task. The demands which you make upon your spiritual leader are the most exacting. . . . so, I beseech you to make things as easy as possible for my successor. Rally behind him, work harmoniously with him, and above all else — love him, so that he may be at his best and that the influence and services of Rayne Memorial to this great city may be at their peaks of effectiveness and power."

In addition to the many friends Adrian Serex leaves behind, he is survived by his widow, Mrs. Emeline Gober Serex, three sons, William D. and Donald M. Serex, both of New Orleans, and Henry M. Serex of Sacramento, California; a daughter, Mrs. E. A. Parker of Foster City, California; his step-mother, Mrs. Emily Serex of Montreux, Switzerland; a sister, Mrs. Henri DeWorm of Montreux, a brother, Henri Serex of Shreveport, and four grandchildren.

Adrian Serex is now a member of the Church Eternal. His good influence and wonderful spirit are the part of his immortality he has achieved here. We will remember him as a gentleman, a scholar, and a preacher in the highest tradition. In death he fulfilled the admonition of Paul to Timothy: "I have fought a good fight, I have finished my course, I have kept the faith: Henceforth there is laid up for me a crown of righteousness, which the Lord, the righteous judge, shall give me at that day: and not to me only, but unto all them also that love his appearing."

MRS. SAMUEL LEONIDAS RIGGS

Adah Alice Matthews Riggs was born in New Orleans, the daughter of Frederick and Adah Matthews. She was a gifted pianist and organist and generously used her talent in the work of her church. It was while playing for a revival meeting that she met the Reverend Samuel Leonidas Riggs, a fervent young Methodist preacher who had been assigned to do evangelistic work in New Orleans. They were married on February 1, 1905 by Bishop Henry Clay Morrison.

With energetic devotion she accompanied her husband to a succession of parsonage homes, serving churches in DeRidder, Kentwood, St. Francisville, Opelousas, Mooringsport, and Cedar Grove, Shreveport. In 1928 Brother Riggs retired because of ill health and they made their home in Shreveport. She shared with her husband a devotion to the poor and afflicted, and for seven years she served as the first president of Goodwill Industries in Shreveport. She was a member of Magnolia Chapter, O.E.S., and an active member of First Methodist Church.

Mrs. Riggs died on January 9, 1967, in Shreveport. Funeral services were conducted by Dr. Ben Oliphint and the Reverend P. M. Caraway. She was laid to rest beside her husband in Greenwood Cemetery, Shreveport.

She is survived by a son, Leonard M. Riggs of Longview, Texas; a grandson, Leonard M. Riggs, Jr. of Dallas, Texas; a sister, Mrs. A. D. Turner of Minden, Louisiana; and a number of nieces and nephews.

Her personal buoyancy and zest for living, her love of people and "salt of the earth" kind of goodness, bear a lasting witness to the words of Browning:

"But God has a few of us whom he whispers in the ear;
The rest may reason and welcome; 'tis we musicians
know."

MRS. LETHA FOSTER WYNNE

A Tribute by Mrs. P. H. Wade, Jr.

Daughter of Rev. and Mrs. A. M. Wynne

Mrs. Letha Foster Wynne died at 5:00 P.M., Sunday, March 5, 1967. Funeral services were held at 2:30 P.M., Monday at Kilpatrick Funeral home in Bernice, Louisiana with the Rev. Byrd L. Terry officiating. Burial was in Forest Park Cemetery, Shreveport, Louisiana.

Mrs. Letha Foster Wynne, daughter of John Kirk Foster and Amanda Jane Hayes was born September 15, 1882, in Vernon Parish. There were five brothers and four girls.

Survivors of Mrs. Wynne are one brother, Le Roy Foster of Leesville, and two sisters, Mrs. Leslie Hamner and Mrs. E. A. Hamner both of Shreveport, Louisiana.

Mrs. Wynne was educated at Ft. Jessop Academy and prior to her marriage was Post Mistress of Anacoco, Louisiana. Her father was a long time teacher in Louisiana.

Mr. Ardis M. Wynne and Miss Letha Foster were united in wedlock October 25, 1917. They have one child, Mrs. Emeline Wade, of Oak Ridge, Louisiana. She was born November 6, 1918.

Rev. and Mrs. Wynne began their work together in the Methodist Episcopal Church in the Gulf Texas Conference. Then was transferred to the Louisiana Conference December 3, 1925, which they served together until retirement in 1954 in Bernice, Louisiana.

Mother was a devoted wife and took an active part in all Christian work with her husband. She was capable in many fields of church work from music to teaching. Mother was a member of the Eastern Star and took part in club work in her younger years.

Rev. and Mrs. Wynne were on the Zachary, Slaughter work 1927 - 1931. They were beloved in both churches. Mrs. Wynne organized a Woman's Missionary Society in Slaughter in 1928. In 1958 that W.S.C.S. honored her with a Life Membership Pin.

This is a poem she kept in her Bible which expresses most what I want to say.

I thank thee, Lord, that grief can't always last
That there's an end to sorrow's darkest day.
Then give me gratitude for pleasures past.
The joys thou sawest fit to take away.

The treasures that were lent me for awhile, and then recalled.
O help me Lord to smile and say,
Thy will be done sincere and true,
And give me work these empty hands to do.

MRS. PERRY O. LOWREY

Mrs. Perry O. Lowrey, widow of the Reverend Perry O. Lowrey of the Louisiana Conference, died on July 23, 1966. Funeral services were held in the Mansfield Methodist Church on July 26 by Dr. Guy M. Hicks, assisted by Rev. George F. Pearce and Rev. R. W. Bengtson. Interment was in the Mansfield cemetery, where she was laid to rest by her husband and one son, Lamar.

Mrs. Lowrey was born in Seguin, Texas on December 22, 1879, the daughter of Lucius Mirabeau McGehee and Frances Elizabeth Brown McGehee. She was a descendent of the Mirabeau B. Lamar family and a niece of Bishop Hiram Abiff Boaz (deceased) of Texas.

While serving as organist of Sherman St. Methodist Church in San Antonio, Texas, young Miss McGehee met Rev. P. O. Lowrey of Mansfield, Louisiana, a young minister who was holding a revival in the Sherman St. church. They were married on July 16, 1902, and returned to the Louisiana Conference where their first pastorate was in Bastrop.

Together they served faithfully in many capacities in Louisiana, specializing in the pastoral ministry and in rural missions. At one time Rev. Lowrey was Executive Secretary of Missions and his wife was a loyal partner in this Conference-wide work. Except for the earliest years, Mansfield was their home and there they reared a family of ten children (one deceased) who are known today as outstanding Christian leaders wherever they live.

After her husband's death in 1929, Mrs. Lowrey continued to make her home in Mansfield and to be active in church and community. As a musician she served First Methodist Church there as pianist and organist. She was a faithful and useful member of the (then) Woman's Missionary Society, and a church member whose church and home came first. As both father and mother to her growing children, she saw to it that they were taught a deep and loving church devotion.

During the declining years of her life Mrs. Lowrey lived with the family of her eldest daughter Grace and husband, Mr. and Mrs. D. A. Miller, in Tuscaloosa, Alabama. Her last years of infirmity were spent in the La Rocca Nursing Home, Tuscaloosa. She died there on July 23, 1966, at the age of eighty-six.

Surviving relatives include an only sister, Mrs. J. W. Lowrey of Mansfield, nine children and numerous grandchildren, nieces and nephews. Her children are: Grace: Mrs. D. A. Miller, Tuscaloosa, Alabama; Ruth: Mrs. R. A. Kobs, Columbus, Georgia; Francis: Mr. F. M. Lowrey, Monroe, Louisiana; Brunner: Mr. B. E. Lowrey, Mansfield, Louisiana; Perry: Mr. Perry C. Lowrey, Caracas, Venezuela; Louise: Mrs. W. E. Hulsey, Huntsville, La.; Evelyn: Mrs. C. E. I was Mrs. Lowrey's pastor in Mansfield and knew her as her life spanned some difficult years of depression. Her whole life was one of pioneering service, and I have many joyous memories of her as we worked together in church and community. To her, life was truly a sacrament and religion was a matter of uplift and even laughter and keen wit in the midst of daily duties.

Her faith was an inspiration to me as it was to her family, her church and her community. Her service to others always seemed an outpouring of love, and her many sacrifices were made with joy and a deep sense of dedication.

As we officiated at the last, loving rites, we felt that relatives and friends in the Mansfield Church were there to give tribute and respect and love to a truly great Christian. We believe with all our hearts that she is with the Heavenly Father in that "house not made with hands, eternal in the heavens."

MRS. W. W. HOLMES

Mrs. W. W. Holmes, one of the grand ladies of Louisiana Methodism died in Baton Rouge Nov. 29, 1966 at the age of 90. The services at the Wm. B. Reiley University Methodist Church were conducted by Rev. Jack Cooke her present pastor, and Dr. W. E. Trice who was her pastor since the death of Dr. W. W. Holmes in New Orleans in 1946.

She was born in Bristol, Tenn., March 23, 1876. Her family moved to New Orleans in 1904 where she met and married a young minister, Rev. W. W. Holmes, Dec. 19, 1907.

With the passing of this gracious lady of the Methodist parsonage so many of us pause to remember with deep affection the fruitful ministry of Dr. and Mrs. W. W. Holmes who touched and transformed so many lives in their beloved Louisiana Conference. They were a team; and during their service years on the New Orleans district they enriched the lives of their preachers and inspired their parsonage families with hope, vision and dedication.

Mrs. Holmes held her values always in proper proportion during the heavy demands of parsonage life. Her husband and children came first, and her devotion to them was a measure of her own calling from God.

After the death of Dr. Holmes she moved to Baton Rouge where her children reside and where she devoted many years to various activities in the University Methodist Church. Dr. W. E. Trice was her pastor and found in her a true friend, counselor and inspiration.

Dr. Trice and Dr. Jas. T. Harris, so closely associated with her and Dr. Holmes, speak eloquently of her gracious qualities as a woman, a home maker, and a church leader. On all occasions she was a gracious hostess and in this expressed her love for people. She sparkled with a sense of humor making herself the center of her wit. She remained ever a student of the Bible and served with great effectiveness in the Church School and Woman's Society of Christian Service. The many lives she touched will forever be enriched because she passed this way.

Her great host of friends bid her farewell and turn in gratitude to God who gave this life to us in this generation.

REVEREND LOUIS HOFFPAUR

Reverend Louis Hoffpaur was born in Indian Bayou, Louisiana on August 9, 1888. He was the son of Mr. E. B. Hoffpaur and Mrs. Olive Morgan Hoffpaur and was reared on a farm in the Indian Bayou Area.

After completing his elementary work, he attended Abbeville High School where he graduated. Due to his responsibilities on the farm, he was not able to attend College but was always very studious and enjoyed reading.

On January 16, 1907 he was married to Miss Alice Spell of the Lafayette area. From this union two sons and two daughters were born. Brother Hoffpaur is now survived by his wife and the four children: Herbert Hoffpaur, Claude Hoffpaur, Mrs. George Hubbard and Mrs. H. S. Heaton. In addition there are ten grandchildren.

At the time of his marriage, Brother Hoffpaur was not a member of any Church. He was later converted and united with the Methodist Church. He had a very vital religious experience and became active immediately. His first work was with young people. He then assumed the responsibility for conducting prayer services for the adults in his local church and assisted his minister in many other ways.

He soon revealed that he had a definite call to the ministry. This call was so clear that he could not ignore it. He had faith that he could prepare himself with the help of his Lord and many friends. His Bishop and several ministers with whom he was acquainted loaned him books and gave him a recommended reading list, which he immediately began to study intensively. He took work by correspondence and was soon showing real progress in his development as a minister. He was to become one of the most effective members of the Louisiana Annual Conference.

Brother Louis Hoffpaur was deeply loved by the congregations which he served as well as by his fellow-ministers. He was a kindly and considerate man. He had the personal magnetism which drew people to him and gave them confidence in him and faith in The Lord Jesus Christ. Louis was an unassuming person, but one who generated deep loyalties in people. He was a friend of the executive, the white collar worker and the laboring man. This gave him a rare understanding and insight into the interests and needs of people and an ability to communicate with them. This enabled him to interpret God to them in a way that made Him real and personal.

Brother Hoffpaur loved the out-of-doors, and his avocation was that of raising rice and live stock. This proved to be a source of great interest and joy to him in the closing years of his life. Nothing pleased him more than to be able to take his friends out to his farm near Sulphur.

He retired in the year 1960 from the First Methodist Church in Crowley, where he had served for seven years. He had thus completed approximately 50 years in the active ministry. During these years he served the following Churches and Districts: 1910-1912 Bell City, Hayes and West Lake; 1912-1915 Bayou Chicot, Ville Platte, White Castle and Garland;

1915-1922 Henning Memorial, Sulphur, and Vinton; 1922-1925 Coushatta; 1925-1930 First Church, Lafayette; 1930-1933 First Church, West Monroe; 1934 Homer; 1934-1938 Ruston District; 1938-1944 First Church, Haynesville; 1944-1950 Ruston District; 1950-1953 New Iberia; 1953-1960 First Church, Crowley.

After leaving Crowley, Brother and Mrs. Hoffpauir retired to their home in Sulphur. However, he was not to retire from the ministry. He served as interim Pastor of the St. Luke Church in Lake Charles for some nine months during 1961-1962. Through his help and leadership, the Wesley Church was organized in North Sulphur early in 1963. On April 14 of that year Charter Membership was observed with 107 people uniting with the Church. This was a very happy occasion for both Brother and Mrs. Hoffpauir. This included 27 people on profession of Faith, 16 from other denominations and 64 from other Methodist Churches.

Brother Hoffpauir continued to serve the Wesley Church for about one and one-half years until his health began to fail. He gradually grew weaker over the months but maintained his fine spirit and deep faith. He passed on to his eternal reward on December 16, 1966. Interment was in the Mimosa Pines Garden of Memories just south of Sulphur.
